Today's Prediction

By Muriel "Happy" Medium

Staff Prognosticator

New Bedford, MA -- The bulk cargo vessel SS EDMUND FITZGERALD will sink in eastern Lake Superior. Although it will be going at a reduced speed, this medium's skin goes all gitcheegumee when I see a severe storm taking all the vessel's 29 officers and crew members. I would much rather predict the winner of the Lottery, when that finally comes to pass.
